2026 Goldendale Home & Garden Show

15th Annual • Mother's Day Weekend • Spring Market Edition

The Goldendale Home & Garden Show is a beloved community tradition, celebrating its 15th year in 2026. Held Mother's Day weekend, this three-day event brings together local businesses, makers, growers, and families to celebrate spring, home, gardens, and community.

This year's event is proudly presented by McLaughlin Events & Marketing and combined with our Mother's Day Spring Market, creating an expanded, high-energy weekend focused on supporting local businesses and welcoming the community together.

GOLDENDALE
Home & Garden
Show

The Goldendale Home & Garden Show has been a long-standing community event for 15 years, bringing together local businesses, neighbors, and families each Mother's Day weekend. In 2026, we're honored to help carry this tradition forward while keeping the event free and open to the public.

This show works best when it reflects the businesses and people who live and work here. Sponsorship support helps cover the real costs of hosting a well-run, welcoming event — from facilities and logistics to workshops and promotion — while ensuring a positive experience for vendors and visitors alike.

We're looking to partner with a small number of local and regional businesses who value community, craftsmanship, and showing up for the place they call home. In return, sponsors receive meaningful visibility throughout the weekend and recognition as part of what makes this event possible.

Interested in becoming a sponsor?

Please contact us at [your email] or complete the sponsorship form below. We'd be happy to connect, answer questions, and talk through what partnership might look like.

Thank you for considering supporting this community event. We're grateful for the businesses that help keep it going.

Sincerely,

McLaughlin Events & Marketing
Goldendale Home & Garden Show Team
